AUDIT – Soror Tamara Hunter:

Summary Audit Report

- ▶ The Internal Audit Committee completed a review of the financial records of Inkster Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated for the period October 1, 2017 to December 31, 2017. The review included a 25% validation of disbursements, receipts, deposits, and 100% of membership dues collected during the period.
- ▶ A summary of the findings is listed below.
- ▶ No material loss of the financial assets exists. Inconsistent and undocumented fiscal controls were used during the period of review however, which can lead to a misrepresentation of the financial health of the chapter. Continued processing of the financial records in this manner can lead to losses of money in the future. Recommended changes should be made by the end of the sorority year.

The findings are as follows:

- ▶ 1. The chapter is operating on “oratorical” policies and procedures in some cases. No change from Q1 reporting.
- ▶ 2. Several processes need to be updated to include more detail. No change from Q1 reporting.
- ▶ 3. The chapter does not have a proper check registry. No change from Q1 reporting.
- ▶ 4. Budget #'s do not reflect what was voted on and monies were spent on items not approved by the chapter.
- ▶ 5. The chapter does not have any written policies and procedures for PayPal operations. No change from Q1 reporting.
- ▶ 6. PayPal account is not properly setup in the Presidents name and still lists the past Financial Secretary Danita Tucker’s information. No change from Q1 reporting.
- ▶ All numbers have been reconciled and balances as of December 31st, 2017 are accurately reflected in the financials. A copy of the Detailed Audit Report has been provided for the chapter’s records.
- ▶ After review by the Chapter Internal Audit Committee, it has been determined that the chapter does not have satisfactory financial internal controls and the review supports the lack of their existence. No change from Q1 reporting.
- ▶ The audit was completed on January 21, 2018 and uploaded to the Red Zone by the Internal Audit Chair on Feb 5, 2018. A meeting was scheduled on March 5, 2018 to review with the Finance Committee of which the Internal Audit chair and Treasurer were in attendance. There are currently no outstanding questions and meetings have been set for the Q3 audit and reviews
